

Flex Rent AutoPay Recurring Electronic Payment Authorization

(Effective October 27, 2025)

In this Flex Rent AutoPay Recurring Electronic Payment Authorization (“AutoPay Authorization” or “Agreement”), the words “we,” “us,” and “our” mean Flexible Finance, Inc. and its subsidiaries, affiliates, agents and assigns (collectively, “Flex”). The words “you” and “your” mean the customer enrolling or enrolled in the services that enable the payment of rent through a line of credit issued by Lead Bank (a “Flex Rent Line of Credit”) and who accepts the terms of this Agreement. This AutoPay Authorization supplements your Flex Rent Credit Line Agreement and Flex Rent Terms and Conditions with the following terms:

Automatic Recurring Payments. By enrolling in rent autopay and utilizing any amount of your Flex Rent Line of Credit greater than zero, you authorize us to initiate the payment of your rent each month using your Flex Rent Line of Credit and you authorize us to initiate the following initial and recurring electronic debits or charges to the account(s) you have specified in the Flex mobile application, or any substitute account you later provide (your “Account”):

Authorization for First Payment. Prior to the initial payment of your rent using a Flex Rent Line of Credit each month, you authorize Flex, on behalf of Lead Bank and its assignees, to debit or charge your Account for an amount equal to your estimated rent amount, inclusive of any fees charged by your landlord or property management company *minus* the amount of monthly credit drawn on your Flex Rent Line of Credit (a “Draw”), *plus* a bill payment fee and a credit card processing fee, if applicable, as set forth in the Flex mobile application (“First Payment”). These charges will initially be reflected as a debit authorization or hold of funds on your debit or credit card. Flex will directly pay your entire rent amount to your rent portal or property manager on your behalf by combining your First Payment with your Draw. If we are unable to directly pay your rent amount to your rent portal or property manager, we will release the debit authorization or hold, and your First Payment will be returned to you.

Authorization for Second Payment. You authorize Flex, on behalf of Lead Bank and its assignees, to debit or charge your Account for

repayment of your Draw on your selected repayment date each month (which you may reschedule within such month), together with a bill payment fee, a credit card processing fee, if applicable, and a property passthrough fee, if applicable, as set forth in the Flex mobile application ("Second Payment").

If you do not enroll in rent autopay but you wish to utilize credit from your Flex Rent Line of Credit, you must manually initiate the payment of your rent using your Flex Rent Line of Credit each month. For any month that you elect to use any amount of your Flex Rent Line of Credit greater than zero, you make the required First Payment, and your rent amount has been paid to your rent portal or property manager on your behalf, you authorize us to initiate the following recurring electronic debits or charges to your Account:

Authorization for Second Payment. You authorize Flex, on behalf of Lead Bank and its assignees, to debit or charge your Account for an amount equal to your Second Payment.

If you enroll in rent autopay but you do not wish to utilize any credit from your Flex Rent Line of Credit to pay your rent, you authorize us to initiate the following recurring electronic debits or charges to your Account:

Authorization for Full Payment. Prior to the initial payment of your rent, you authorize Flex, on behalf of Lead Bank and its assignees, to debit or charge your Account for an amount equal to your estimated full rent amount, inclusive of any fees charged by your landlord or property management company, *plus* a bill payment fee, a credit card processing fee, if applicable, and a property passthrough fee, if applicable, as set forth in the Flex mobile application ("Full Payment"). These charges will initially be reflected as a debit authorization or hold of funds on your debit or credit card. Flex will directly pay your entire rent amount to your rent portal or property manager on your behalf using the funds from your Full Payment. If we are unable to directly pay your rent amount to your rent portal or property manager, we will release the debit authorization or hold, and your Full Payment will be returned to you.

If you do not enroll in rent autopay and you do not wish to utilize any credit from your Flex Rent Line of Credit to pay your rent, you must manually initiate the payment of your rent using the Flex services each month. For any month that you elect to use the Flex services to pay your rent, you authorize us to initiate the following electronic

debits or charges to your Account:

Authorization for Full Payment. You authorize Flex, on behalf of Lead Bank and its assignees, to debit or charge your Account for an amount equal to your Full Payment.

By using the Flex services, you also authorize us to initiate the following recurring electronic debits or charges to your Account:

Authorization for Monthly Membership Fee. You authorize Flex to debit or charge your Account for a monthly membership fee as set forth in the Flex mobile application on or about the 15th of each month ("Monthly Membership Fee"). To access the Flex services, you must pay a Monthly Membership Fee.

Authorization to Vary Amounts. You acknowledge and agree that each of the First Payment, Second Payment, and Full Payment charged may vary month-to-month due to variations in the amount of monthly credit available and variations in rent and utilities amounts. You authorize us to vary the amount of any such payment so long as such payment does not exceed an amount greater than 125% or less than 75% of the pre-authorized amount without your prior authorization in each instance. If any payment is more than 125% of the amount authorized or less than 75% of the preauthorized amount, we will provide you with notice prior to the scheduled date of transfer.

Authorization to Correct Errors or Combine or Modify Payments. If we make an error in processing any electronic debit or charge, you authorize us to correct the error by initiating an electronic credit or debit to the Account in the amount of such error on or after the date such error occurs. You authorize us to verify the payment and Account information that you have provided to us. If you make a typographical error in providing us with such information, you authorize us to correct the error upon receiving corrected information from you or your financial institution. Instead of or in addition to any electronic debits or charges described above, you authorize us to initiate electronic debits or charges to your Account for any amount and on any date that you subsequently direct by email or other method we make available. You authorize us to combine multiple electronic debits or charges that we may be initiating on the same day to your Account into a single electronic debit or charge.

Authorization for Partial Payment Processing. You acknowledge and agree that Flex may initiate an electronic fund transfer from your Account for less than the full amount due if your Account contains insufficient funds to cover the entire scheduled

payment amount. We may capture any available balance in your Account up to the total amount authorized, even if such balance is less than the full payment amount due. Your authorization to initiate a rejected debit or charge herein covers our attempts to collect any remaining unpaid balance through subsequent electronic fund transfers as permitted by applicable network rules and regulations.

Authorization to Initiate a Rejected Debit or Charge. If any electronic debit or charge is rejected, you authorize us to re-initiate as permitted by law and payment network rules. However, you agree that we are under no obligation to reinitiate any rejected debits or charges. You understand that your financial institution may impose fees in connection with rejected debits or charges, and you agree that we do not have any liability to you for such fees. If you know that an electronic debit or charge will be rejected by your financial institution (e.g., because of insufficient funds or credit availability), you should contact us immediately so that alternative arrangements can be made.

You agree to maintain sufficient funds to cover all recurring electronic debits or charges to your Account. If your Account has insufficient funds but you are enrolled in overdraft protection with your financial institution, an electronic debit or charge initiated by Flex may still be approved by your financial institution. You acknowledge and agree that Flex is not responsible for any overdraft fees, over-the-limit fees, insufficient fund charges, or any other financial institution fees that result from your failure to maintain a sufficient balance in your Account. Flex makes no warranties that an overdraft will not occur or that your financial institution will not charge you fees.

Third Party Fees. In some cases, your rent portal or property manager may charge you an additional convenience, processing, or service fee to pay your rent online (a "Third Party Fee"). These fees are not Flex fees. Usually these fees are small, between \$2.00 and \$7.50. As a courtesy, Flex may pay a Third Party Fee on your behalf. If Flex pays a Third Party Fee, Flex will add the Third Party Fee amount to your Second Payment amount or your Full Payment amount, as applicable.

Revocation and Termination. Authorizations for the First Payment, Second Payment, Full Payment, and Monthly Membership Fee, as applicable, will remain in full force and effect until you notify us that you wish to revoke one or more authorizations in writing to help@getflex.com no fewer than three (3) business days before the scheduled date of transfer. If we do not receive notice at least three (3) business days before the next scheduled payment, we may attempt, in our sole discretion, to cancel the next transaction. However, a late attempt to cancel may not succeed, and we assume no

responsibility for our failure to do so. Please note that revoking any of these authorizations will not cancel any payment that is initiated before your revocation becomes effective. Terminating this AutoPay Authorization does not affect your obligation to repay amounts due.

We may terminate your enrollment in recurring electronic debits at any time for any reason, including excessive returned payments, closed account, insufficient funds, etc. If you cancel or revoke this AutoPay Authorization or if we terminate electronic debits to your Account, you understand that you will be responsible for making your payments by another accepted payment method or you will be responsible for paying your property manager directly for your rent.

Revoking authorization for the Monthly Membership Fee will not result in cancellation of your membership. You may cancel your membership or your use of the services that enable the payment of rent through a Flex Rent Line of Credit in accordance with the Flex Rent Terms and Conditions through the Flex mobile application or by writing to help@getflex.com. Please see the Flex Rent Terms and Conditions for additional information, available at <https://getflex.com/terms>.

We recommend that you retain a copy of this authorization for your records. We will either deliver a copy to you at your email address on file or make a copy available within the Flex mobile application.

Other. You certify that you are the authorized user of this Account. You understand that this AutoPay Authorization is subject to applicable law and network rules. To modify your Account information or provide a new payment method, you must contact us and provide authorization to us to take payments from that account.
